

The BENEFITS of a MOBILE DRIVER'S LICENSE (mDL) on your phone

TAMPER-PROOF ID ON YOUR PHONE

- ▶ Your info is digitally signed by your Issuer and can't be altered
- ▶ mDL data on your phone can't be hacked
- ▶ Photoshop fakes will not work

COMPLETE CONTROL OF YOUR ID DATA

- ▶ You authorize every transaction
- ▶ You choose what data you want to share
- ▶ mDL Issuers, law enforcement and governments do not track your transactions

CONTACTLESS ID TRANSACTIONS

- ▶ Your phone never leaves your hand
- ▶ As easy as using your phone for payments
- ▶ Leave your physical ID in your wallet

STRONG SECURITY & ENCRYPTION

- ▶ A PIN or biometric lock on your phone ensures that only you can use your mDL
- ▶ Data sent from your phone is always encrypted

WHERE WILL I BE ABLE TO USE IT?

Airports/TSA

Beverage Stores

Online Shopping

Healthcare

Entertainment

Car Rental

Hospitality

Notaries

IDENTITY THEFT & FRAUD REDUCTION

- ▶ Nobody can apply for services or use your mDL on your behalf
- ▶ Anonymous use (e.g., age verification only) is possible, in-person or online
